ESCAPE ROUTE

Draw Your Fire Escape Plan

Walk through your home with your children. Make note of all windows, doors and smoke alarms.

Have a Plan for Anyone with a Disability

People with special needs will need special attention. Consider moving a person with a disability to a **ground floor room**.

Plan Two Ways to Escape Each Room

Draw escape routes on the map of your house. **Always plan an alternate route** in case the primary route is blocked.

Get Outside and Stay Outside

Get out of a burning home as quickly as possible and **do not reenter the structure**.

Practice Your Fire Escape Plan

Practice your escape plan at least **twice a year**, at night and during the day.

Pick a Meeting Place Away from Your Home

Use a neighbor's house, **light post, stop sign or mailbox** as a nearby meeting place.
